*Where everybody is
somebody!*

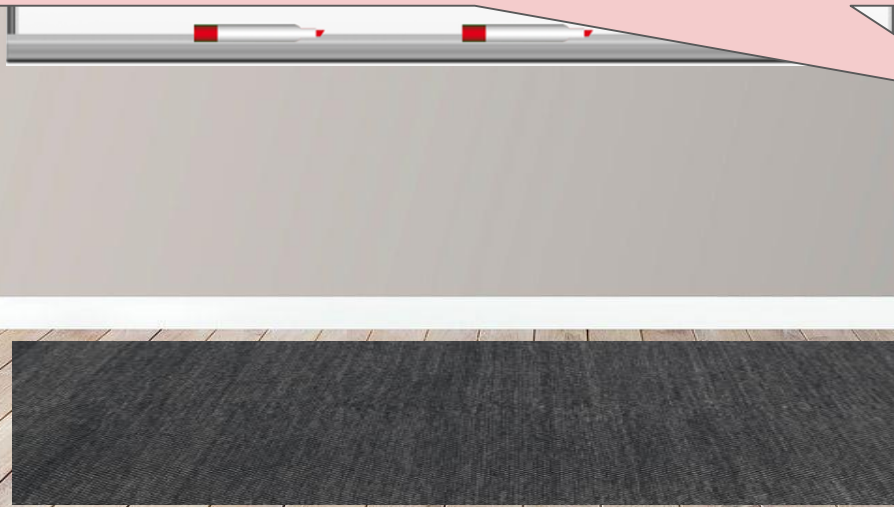

This school year is going to look a little different from what we're used to, but our commitment to high levels of learning and safety remain the same!

The West Bonner County School District's Reopening Plan is closely aligned with the Panhandle Health District. It can be found at www.sd83.org. Our school's reopening plan can be found at <http://idh.sd83.org/>

Currently, only staff are required to wear masks where physical distancing is not possible. Although masks are not required, there may be times when students will be encouraged to wear one. Masks will be available if you don't have any at home.

A 3D-rendered office scene. In the center is a whiteboard on a stand with two white markers and a black eraser. To the right is a dark wood desk with a yellow laptop and an orange chair. Behind the desk is a tall wooden bookshelf filled with books. To the left is a dark wood cabinet with two wicker baskets and a potted plant. A pink speech bubble is positioned above the whiteboard. A cartoon woman with brown curly hair, wearing a red shirt and a grey skirt, is walking from the left side of the frame towards the whiteboard. The floor is light-colored wood, and there is a dark grey rug in front of the whiteboard.

At 7:30 a.m. students will enter the building in a "grade" specific entrance. After 7:30 a.m., students will only enter through the main building door.

Students will eat breakfast in their classrooms from 7:30 a.m. to 7:45 and our learning day will begin at 7:50. We will do our best to physically distance students in every classroom and throughout the day.

Where everybody

During lunch, students may eat in the cafeteria, classroom or outside when possible. Weather permitting, we may have numerous picnics this fall!

To keep our campus safe as possible we will be closed to visitors/volunteers for the foreseeable future. Parents will only be allowed in the building on an extremely limited basis.

Parents will not be able to walk students to class on the first day of school. But feel free to take a picture by our Bulldog reader board to capture those first day of school memories!

Life Where ever

Hand sanitizing stations and two water bottle fillers are being installed in the building. Drinking fountains have been removed so students will need a water bottle.

A classroom scene featuring a teacher character on the left holding a large yellow pencil. In the background, there is a whiteboard, a bookshelf filled with books, and a desk with a laptop and an orange chair. A framed picture of a red paw print is on the wall.

Although our students are used to sharing, we cannot currently share our supplies. Every student will have his/her own supplies in every classroom.

Frequently touched surfaces will be cleaned often and in the future the building will be disinfected with a fog disinfectant. The custodial staff has also implemented additional daily cleaning practices.

Students will definitely go outside to enjoy recess, but classes will be assigned to zones on the playground to keep class cohorts together.

Classes will take regularly scheduled restroom breaks during the school day to ensure proper hand washing and to discourage congregating at the restrooms.

Staff will be using Google classroom with all of the students. This tool will help us deliver lessons to students when they are absent.

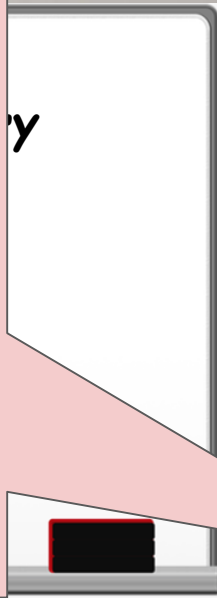

Our district is also offering an on-line option for families through IDLA. If you choose this option, your child is still considered to be enrolled at Idaho Hill; but will receive on-line courses at home.

*IDLA Registration begins
September 1st and classes begin
September 28th. Please call the
office if you would like to enroll
in this option.*

If you have any questions or concerns please don't hesitate to contact me! You can reach me at susieluckey@sd83.org and I will get back to you as quickly as I can.
