Life Flight
West Pend Oreille Fire
Pend Oreille Ambulance
Avista
Idaho Dept. of Fish & Game
Ranger Rick
Pend Oreille Paramedics

Dear Families, *A word from our principal.*

The final days of another school are upon us!! As usual, there are so many special events that happen in the last week of school.....please read through the newsletter for the scheduled events and know you are invited to join us. On our final day, Friday, June 8th, we will begin our 4th quarter assembly at 11:45 a.m. followed by 6th grade graduation at 12:15ish p.m. School will dismiss at 12:55.

I'd like to thank our P.T.O. volunteers, especially Renee Gamber, Savanna Jones and Mike Gamber for all of their hard work this past year. They worked many extra hours planning events for Staff Appreciation Week and Spring Fling as well as supporting our red ticket program, student store, reading challenges and classroom art lessons!!! Their dedication to Idaho Hill Elementary makes our school a very unique community. As we look forward to summer, keep in mind our school website: <http://idh.sd83.org> has many fun sites listed on our technology page to help kids keep their skills sharp. Research also says that kids who do not read during the summer lose 2-3 months of learning every year....so have fun with your kids and read a good book together...attend the summer reading programs at our public libraries. It will make a difference!

Mark your calendars for our annual STEaM into summer reading events scheduled for Tuesday, July 10th and Tuesday, August 14th. This will be a half day filled with fun activities...more information can be found on our website.

It has been a great school year and I hope you have some wonderful times with family this summer!

Happy Summer!
