November 2018

Thank you for supporting Idaho Hill Elementary!
The school where EVERYBODY is SOMEBODY

Dear Families,

This past month I attended the National Distinguished Principal award ceremony in Washington D.C. It was an amazing experience and I had the pleasure of visiting with many principals from around the nation. I quickly learned that all states, districts and schools face many similar challenges educating our young children. I spoke to them about the collaborative culture we have at Idaho Hill Elementary where we truly believe **Everybody is Somebody** and it takes all of us: staff, students, parents and community members to help all children be successful. I was very fortunate to represent Idaho's principals at this event and I feel most thankful I am able to work with the community of Idaho Hill Elementary!

November is always a very busy month and passes by quickly due to school activities, change in schedules, arrival of winter weather, and the beginning of many holiday celebrations. This year our end of quarter is Friday, November 2nd however our parent-teacher conferences are scheduled later in the month. We are looking forward to visiting with you during our Parent-Teacher Conferences on Monday, November 19th and Tuesday, November 20th. Along with this newsletter you will find a parent survey regarding the best time for you to attend conferences. Please complete this and return to the office by Monday, November 5th. It is our goal to meet with 100% of our parents. We know and believe that parents and teachers working together help children be successful and we look forward to visiting with you.

Last month we had student council elections. Our officers are: President: Carter Korff, Vice-President: Daniel Norris, Treasurer: Jared Gamber Secretary: Ashlee Gilbertson, and Sergeant of Arms: Hunter Rose. They are an energetic group of young people!

Please note the special celebrations during this month! You are welcome to join us! Also, a gentle reminder that hunting season is upon us...please remember to check youngsters pockets so we don't end up with bullets, shells, or pocket knives at school.

Wishing you and your families a wonderful Thanksgiving month!
